

Langley Residential Support Services

## Langley Fall Tastings & Auction Benefit

*Falling into Place – Celebrating a Season of New Beginnings*

Donate in kind in support of  
*a rich, full life...!*

***Join Langley as we gather this October for our Langley Fall Tastings & Auction Benefit  
Falling into Place – Celebrating a Season of New Beginnings!***

Langley Residential Support Services is thrilled to welcome our champions to our annual fall event. Join us and help raise awareness and funds for Langley's programs assisting adults with developmental disabilities in Fairfax County. This special gathering will celebrate a season of new beginnings for Langley with exciting new programs, partnerships, and the opening of our sixth group home, the Atwood House.

The 2024 Langley Fall Tastings & Auction Benefit will be Saturday, October 19 at a private home in McLean. Bidding in the online auction opens at noon in early October. Final bidding ends at the culmination of the **in-person program on October 19**. We welcome your donation of silent or live auction items to support our efforts to ensure Fairfax adults with developmental disabilities have every opportunity to live as independently as possible and pursue all of life's hopes and dreams!

Contact Emily Hincer at LRSS with questions or more information at [emily@lrss.org](mailto:emily@lrss.org). All auction donors will receive an in-kind gift recognition letter for tax purposes. Thank you!
