

Langley Residential Support Services

2022 Event Sponsorships

LRSS Mission and People

Thank you for sharing the belief that everyone deserves the opportunity to live full, vibrant, and valued lives. Vienna-based LRSS has been rooted in the Fairfax community for nearly 40 years providing critical residential and life-enhancing programs to adults with developmental disabilities. Together with our champions, we support people in their everyday activities and guide them in more independent living—residents who live in five LRSS group homes as well as those program participants who live in 22 households on their own or with their families.

Become an Event Sponsor

Mark your calendar for the 2022 LRSS Fall Tastings & Auction Benefit on Saturday, Oct. 1. This popular evening features a silent and live auction with more than 40 unique packages and items, wine tastings, special guests and speakers, and more! **The online auction opens at noon on Thursday, Sept 15 and closes at the culmination of the in-person program on Oct. 1.** Back again this year is our favorite emcee, morning host of WUSA's *Great Day Washington* Kristen Berset-Harris. We look forward to celebrating with our sponsors and supporters to recognize the great accomplishments of our residents, program participants, and staff over the past year. All event proceeds benefit the LRSS mission and programs to ensure local neighbors have every chance to live life to the fullest and pursue their dreams. Thank you!
